February 23-24: CapCon2026 - Washington DC

Members of National Association of Benefits and Insurance Professionals (NABIP) recently converged on Capitol Hill in Washington, D.C. for CapCon 2026, uniting with colleagues from across the country to advocate for the health insurance industry and the clients we serve. A strong showing from

health insurance industry and the clients we serve. A strong showing from Texas—including several dedicated members from our Fort Worth and Dallas chapters—participated in meaningful meetings with U.S. Representatives and their staff, sharing real world insights and reinforcing the vital role agents play in protecting access to coverage. Their presence ensured that the voices of the communities we represent were heard loud and clear.
